## **DETAILED ACTION**

### ***Allowable Subject Matter***

1. **Claim 2** is allowed.

The following is an examiner's statement of reasons for allowance: This claim is allowable over the prior art of record because the latter, either alone or in combination, does not disclose nor render obvious a an optical transceiver module comprising a sleeve extending from the base and inserted by an optical fiber, a base formed with a receiving hole, adjustable toggle coaxially arranged in the receiving hole and installed with an annular flange that adjust the orientation of the transceiver element, and a spring installed in the receiving hole so that the orientation of the transceiver module is adjustable in any direction for focusing light from a laser diode to the core of the optical fiber, in combination with the rest of the claimed limitations.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
